Dear Parents/Carers

On Tuesday we held our 5th annual Science Expo and I must say it was probably the best so far. Thanks to the tireless work of John and Edna Rivas who were supported by Yvonne Vrodos, Miranda Needham and Stav Kalambokus we had 22 interactive displays which helped our students learn more about how Science is applied in everyday life. The day opened with a drone display and talk by scientists who use drones in their work. Students were divided into multiage groups then set off to explore the displays which were facilitated by a range of organisations including local middle and high schools, St John Ambulance, Darwin City Council, Cancer Council, some of our scientist parents and Living Watersmart just to name a few. The presenters commented on the positive way students interacted with them and asked lots of interesting questions. We thank the presenters for so generously giving us their time to support our school.

It was good to see lots of families enjoy our belated Mothers Day Breakfast last Friday morning. Thanks to our fundraising team and the parents from T/1 White, T/1 Nathanael and 1/2 Sachs who all contributed to this event.

Congratulations to our Kitchen Garden Team who won Second Prize at the Fred’s Pass Rural Show on the weekend in the category ‘Established School Garden’. We are very proud of our Kitchen Garden Team, our students and parents who have all worked hard to achieve this recognition.

Sometimes children love to bring toys and other precious possessions to school. Unfortunately they can become very upset if these toys become lost or broken so we do discourage toys and other precious items being brought to school. If children need to bring something to show in class then it’s probably best to leave the item with their teacher rather than keep it in their bag or play with it outside.

Tomorrow morning we will have a talk from the Safety House People. Next Friday is assembly. A band from Nightcliff Middle School will be performing for us along with Mr Hauser’s Year 3/4 class. Prizes will be presented to winners of the Science Quiz which was part of the Science Expo. Our Kitchen Garden stall will be selling it’s preserves and produce and Café Jingili will be open for breakfast.

Carin Symonds

(Principal)

Reminder: Our next School council Meeting will be held in the Staff Room at 6pm on Tuesday 29th May.

“Damibila season, is upon us and it signals the Barramundi season and bush fruit are ready to eat such as, Damiyumba or Billy-Goat Plum. But also the cold winds are blowing. We are needing our jumpers again!”
Diary Dates 2018

Term 2

Week 5
Friday 25th May – Special Assembly for Safety
House Talk 8.30am

Week 6
Tuesday 29th May - Am Preschool Photo’s
Tuesday 29th May - School Council Meeting 6pm
Thursday 31st May - PM Preschool Photo’s
Friday 1st June – Assembly Item – 3/4 Hauser

Week 7
Mon/Tues 4th - 5th – Off this Planet Space Science Show
Wednesday 6th June – Touch Football / Soccer Gala Day

Week 8
Monday 11th June - Queen’s Birthday Holiday
Thursday 14th June - Movie Night
Friday 15th June - Assembly Item – 1/2 Sachs
- Music Play Day (Music Students)

Week 9
Thursday 21st – Year 3 Camp/Sleepover
Friday 22nd June - Preschool Twilight Dinner

Week 10
Wednesday 27th June – Sports Carnival
Thursday 28th June – Twilight Sports 4.45 -7pm
Friday 29th June - Assembly Item – 5/6 Dixon

*Please check weekly as dates are subject to change*
Preschool News

The Morning Group children enjoyed visiting the Jingili Science Expo on Tuesday. We will be following up on some of these experiences through our Preschool investigations and explicit teaching sessions. Thank you to Emma, Nell, Charles and John for helping our Preschoolers at the Expo!

Thank you to everyone who supported the Mother’s Day stall in Week 3. We raised approximately $230 - What a fantastic effort!

Preschool photos will be taken by ‘Captured by Kahdi Photography’ on Tuesday 29th May for the AM group and Thursday 31st May for the 2.5 day group. Photos need to be pre-ordered and paid for in full by Monday 28th May.

Please provide a spare set of clothes in your child’s bag as many of our investigations are messy. We are running very low on spare clothes so please check at home and return any items that are marked ‘Pre’ or ‘Preschool’. On cooler mornings please also pack a light jumper or jacket for your child.

Due to the weather cooling down and less children opting to ‘swim’, the pool will be filled on THURSDAYS ONLY for the remainder of this term.

We need donations of cups and juice/natural cordial for our ice cups. Ice cups are available every Wednesday for 50c each. All proceeds support our World Vision sponsor child Mukta Rani in Bangladesh.

Have a great week!
The Preschool Team

Swimming Program 2018

The swimming program will be held in Term 3 this year instead of Term 4.

It will be at the Casuarina Swimming Pool in Week 7 & 8

(3rd September - 13th September)

Parents can start paying this term and a payment plan will be set up. The cost this year will be $85.00

Library News

Overdue notices were issued to students Tuesday, May 1 to all students with overdue library books. Overdue notices will be run on a monthly basis and children with overdue books will not be allowed to borrow.

If the items cannot be located, please come and see me in the library, or email me on kerry.pagett@ntschools.net
Welcome back Jingili Community to news from the kitchen garden program. This week students are reflecting on their learning in kitchen and garden classes for their reports. It is always a pleasure and surprise to see what students are enjoying learning and what they would like to learn more about in the kitchen and garden program. Next week Upper Primary students will be looking at making a healthy breakfast and snacks from left over goods from the 5/6 camp. Jodi and I are attending a professional development this week. This is always a wonderful opportunity reconnect with the Stephanie Alexander foundation, further and share our learning with the kitchen garden community in Darwin.

Thanks to Phil Rose for harvesting some wild rosellas in the Daly region and bringing them back for us to process and make rosel leaf jam. Cheers to Kylie Frewen Lord for helping Jodi Rose get the rosel leafs off the stalks ready for students to process. There’s a lot of work that goes into the production of our preserves and it’s valuable learning for our students to witness the lifecycle of plants and preservation of harvests when produce is in season. From the garden, to the plate.

Assembly is Friday, and as usual we will have our kitchen garden produce stall set up. Come and check out what is for sale.

**Produce stall – For sale**
- KJ’s beeswax lunchbox wrap set $15.00
- Pancake Mix $3.00
- Vegetable Mustard Pickles $5.00
- Kimchi $6.00
- Zucchini Relish $5.00
- Yellow Curry Paste $4.00
- Herb butter $4.00
- Sambal $3.00
- Lemongrass Cordial $7.00
- Mango and Jakfruit Jam $4.00
- Mango and Cumquat Jam $3.00
- Mango and lime Jam $3.00
- Seed bombs and Jingili Garden Friend’s 50c

Chickens are an important part of our program and we are looking to increase the chicken numbers this year in our chook pen. If you have any chickens you would like to donate to the program, please contact Jodi on 89851555 or jodi.peters@ntschools.net

Enjoy this cool and dry weather!

Jodi & Jodi

---

**FREE**

We have 1 small table left to give away. Please contact the Front Office on 8985 1555 if you would like it. Thank you
# Orecchiette

## Ingredients
- 500g plain flour
- 2 teaspoons salt
- 200g ricotta
- 2 eggs
- 1 tablespoon water

## What to do:
- Mix the flour and salt in a large bowl. Tip onto a clean workbench and work in the ricotta with your fingertips.
- Lightly whisk the eggs with the water in a small bowl. Make a well in the middle of flour and tip in egg mixture. Drawing in the flour little by little with one hand, bring everything together to form a fairly stiff dough. Knead for 5 minutes. Wrap in plastic film and leave at room temperature for 15 minutes.
- Return to the dough and knead some more until it feels supple and very smooth. Break off a piece the size of an egg. Roll it on the bench to form a 1 cm diameter sausage-shape with your hands. Cut into 3 mm thick slices.
- Place disc in the palm of your hand and press and twist with your thumb.
- Press all the pasta into little ear shapes.
- Cook in boiling water until pasta floats to the top of the water and remove with sieve scoop.
- Add pasta to the sauce of your choice (we used a passata sauce).

---

Hi! My name is Raphael van Wessem, otherwise known as "Pak Rafi."

Greetings to all parents out there. I have the pleasure of teaching Indonesian to your children. A few things about myself.

I was born in New Zealand, but I left when I was five and grew up in Brisbane. I studied at Queensland University for my Bachelor's Degree and after doing teacher training started teaching in Cairns, Far North Queensland. Since then I have mostly worked as an ESL Teacher (teaching English as a second language), with many experiences here in Darwin and overseas where I learnt Indonesian. I feel so lucky that I have been able to take a sideways step and now be an Indonesian teacher in Darwin primary schools.

I get great pleasure from my job and believe there are many benefits to learning another language, especially if started from a young age; students broaden their understanding of the wider world, they broaden their understanding of how language works, their powers of concentration are increased, and, if they persist, they will find many doors of opportunity opening for them.

I try to make classes fun with many games and activities. I incorporate songs, puppets, and stories.

I wish you all the best for this year.
Science Expo
Science Expo
I loved stall eleven because I answered the question and got a slinky. I liked stall twenty-two because we put rockets on the string. We had to hammer and smack it down the line and we got a lolly pop. I liked Casuarina Senior College because I got to touch goo. If you punch it, it will be hard but if you pick it up it will fall like liquid. My favourite store was the sherbet, or CSIRO, because we made some and it tasted weird.

Max, Year 3

I loved the slime because it was funny when Charlotte buried her hands in the goo. It was really hard to get her hands out and when they did come they looked like gigantic tentacles. I was surprised at the Environmental Science stall when I guessed the false killer whales (dolphins) favourite spot around Groote Eylandt. I was challenged when we had to guess which different ear card went into an infected ear card at the Hearing Services stall. I loved walking the dog called Tilly and finding the microchip close the ear in the stuffed Darwin City Council dog.

Savanah, Year 3

I loved propagating all the sweet potato and ginger cuttings at the JPS kitchen and gardening stall. I was challenged by using laser guns to take the heat or temperature of different objects around the school. I was surprised by how heavy the croc’s skull was at the Territory Wildlife Park stall. I am not sure what was in the science quiz box. One thing I learnt was that my finger prints will be the same forever.

Hannah, Year 4
Darwin Waterfront

Harmony Soiree

Saturday 26th May 2018
Darwin Waterfront Precinct
4:00pm-8:30pm

Celebrate Darwin’s cultural diversity with fun-filled activities, dazzling entertainment and delicious food from around the world.

Decorate a floating lantern, join the lantern parade and release into the lagoon. Prizes awarded for the best handmade lanterns.

Spectacular “Harmony Finale” group performance and fireworks display to end the night.

Dear Parent/Guardian

Re: Australian Education Union Members - Report Back Meeting

The NT Branch of the Australian Education Union (AEUNT) has accepted the Commissioner for Public Employment's proposal for a new enterprise agreement for teachers and will now put the proposal to its members.

The AEU NT will consult with its members from our school on Friday 25th May 2018 from 8am to 9.30am.

During the report back meeting time, supervision will be provided for students who attend school. Parents may also choose to make alternative arrangements for their child/children until normal classes resume at 10:00 am.

Yours sincerely

Carin Symonds

World Walks for Cancer NT 2018

Di is walking the Camino de Santiago in Spain to raise money for Cancer Council NT.

Please support Di in donating to this great initiative.

A group of Territorians will be walking the Camino to raise money for Cancer Council NT.

(All money raised will stay in the Northern Territory)

Cancer affects a large number of Australians both directly and indirectly.

This is a great initiative to help all families who are affected by cancer.

Di's Fundraising Goal is to raise $5000

To donate click here to go to Di's private fundraising page or type in
https://tinyurl.com/Camino-DiSullivan
