Thursday 26 July | Week 1 Term 3

"Welcome to Dinidjanggama (heavy dew time)...the best time to 'refresh'..."

Dear Parents/Carers

I'd like to extend a warm welcome back to school for Term 3. From the conversations I've had with children it seems that many of you had lovely holidays with lots of family time, camping trips, interstate visits or just enjoying the beautiful Darwin dry season at home. Term 3 will be a busy and interesting term. As well as lots of good learning in all of our classrooms the following events are planned over the next ten weeks-

- Science Fair
- Student Led Conferences
- Slide-a-thon
- Literacy Numeracy Week
- Pre-school Open Morning
- Kitchen Garden Working Bee
- Twilight Fathers Day Barbeque
- Swimming
- Quiz Night

Please keep an eye on the diary dates in our newsletter, our Facebook page or the Skoolbag App to make sure you don't miss anything.

On Monday our teachers had a **professional learning day** where they began with an early morning yoga session. This was followed by a presentation from our Teaching and Learning Coach, Kaye Baldock about **Bump it up Walls**. Bump it up Walls provide a visual display to help children see what success in writing looks like. They encourage children to self assess their own work against examples on the wall, help with feedback and allow students to clearly see what their next steps in writing will be. All teachers will be developing their use of Bump it up Walls over the term and we hope it will assist our students in their efforts to become proficient and assessment capable writers. Teachers also participated in a session which taught them about the way the **Bluearth program** can support the health and wellbeing of our students. We will be running this program in our early childhood classes for the rest of this semester.

As mentioned at the end of last term we will be trialing a different eating time for lunch for the first 5 weeks of term reversing the times we eat and play.

12:45 – 1:10:- playtime in the school yard

1:15 – 1:30: eating time

We have decided to trial this for a few reasons

- Increase the number of children who eat all of their lunch
- Provide a calming time prior to children going back into afternoon lessons
- Provide an opportunity to resolve any playtime disputes while eating their lunch thereby reducing the need to impact on afternoon learning time.

If children are really hungry at the beginning of play they will be able to take some of their lunch to tide them over. Please talk to your children about whether they might need an extra piece of fruit or healthy snack. This will be a trial for the first 5 weeks of term and we will review how it's all going before making a decision about whether to change on a more permanent basis or revert back to the way it has always been. We welcome feedback from staff, parents and students as the trial progresses.

Next Friday 3rd August, year 2/3 Cockfield will be performing for us at our first assembly for Semester 2. Café Jingili will be open and our Kitchen Garden will be selling it's produce and preserves.

Enjoy Show Day and the long weekend.

Carin Symonds

(Principal)

Diary Dates 2018

TERM 3

Week 2

Tuesday 31st July - School Council Meeting 6pm

Wednesday 1st August – The NED Show assembly

Friday 3rd August – Assembly item – 2/3 Cockfield

Friday 3rd August – Track and Field Gala Day

Week 3

Monday 6th August – Picnic Day Holiday

Week 4

Student Led conferences

Thursday 16th August - Science Fair

Friday 17th August - Assembly Item – T/1 Rioli

Week 5

Friday 24th August - Slide-a-thon

Week 6

Tuesday 28th August - School Council Meeting
6pm

Thursday 30th August - Father's Day Twilight BBQ

Friday 31st August – Assembly Item – 5/6 Grills

Saturday 1st September - Kitchen Garden Working
Bee

- Preschool Open Day

Friday 3rd August

Kitchen Garden at Jingili

Welcome back Jingili community to news from the kitchen garden program. Jodi and I are excited to be back and ready to get busy in the kitchen and the garden with Jingili students! Students will be connecting with the garden this week and having a wholesome meal from our garden produce next week.

Thanks to the O'Toole and Highman families for caring for our chickens over the holiday break. The chooks are happy and rested. A special thanks to Zac O'Toole and family for the donation and construction of our new chook pen floor, it looks fantastic and is much cleaner, safer and more durable. Cheers to Phil and Jodi Rose as well for their extra work on the chook pen to make it safer for our chickens.

We are desperate to get our chook count up. Unfortunately at the end of last term we had more chickens taken. This has reduced our flock considerably and is not productive enough to sustain the program (egg count and reducing food waste). Donations of laying hens would be much appreciated. Or maybe consider raising some chicks - you can get them at the Royal Darwin Show and then donate them to the program when they are bigger.

Thanks to Bunnings for the donation of a complete Worm Farm kit. We will be raffling it this term to the Jingili community as a fundraiser for the program and for students and families to extend their learning and sustainability to the home. Jingili students are familiar with worm farms and we have 6 already composting in the school.

Why not go for a walk in the garden with a student and check out our new shed!!! The garden is looking amazing right now! What produce can you identify?

Preschool News

Welcome back to Preschool for Term 3! We have enjoyed hearing all about your child's exciting holiday adventures and hope that you also had a nice break. This term we welcome Jann Goodworth to the Preschool team while Amanda Bagley is taking some well-deserved long service leave. 'Ms Jann' will be working with AM Metcalf each morning and with the 2.5 day group during the afternoon on Wednesdays and Thursdays.

The Preschool Library will be open for borrowers again next week, so please remember to pack your child's library bag so they can borrow a book at the start of each session. We will be borrowing books using the new OLIVER computer-based system, so please take care that barcode stickers remain on the back of Preschool books. Thank you.

Ice cups will be available for purchase from next Wednesday for 50c each. All proceeds support our World Vision sponsor child Mukta Rani. We would also appreciate donations of fruit juice, natural cordial and plastic cups to make the ice cups. Please also let us know if you are available to help to make the ice cups on Monday mornings or can sell them after the sessions on Wednesdays.

The wading pool will be available for swimming each Thursday this term from next week – we will add an extra day when the weather heats up again. Please also remember to pack a hat and shoes for your child **every day** so they can safely participate in all aspects of the Preschool programme. You may also like to send a jacket or jumper for your child on cooler mornings.

This term, the AM Group will be participating in the 'Bluearth' program which will focus on physical and mental wellbeing. The sessions will run each Monday morning at Preschool from 8.40 – 9.10am. The program will be run by Justine Swan-Castine who is the Indigenous School Engagement Project Officer for Bluearth in Darwin. For more information about the program visit <https://www.bluearth.org/>
A reminder that Preschool will be closed this Friday 27th July due to the Darwin Show Day public holiday.

Have a great week,

The Preschool Team

Canteen

Hi everyone and welcome back for the term.

There are only a couple of changes to the menu for the term. There is another flavour ice cream available "mango" in the milky mates. I have removed the apple pie with crumble and replaced it with a peach and custard cup with crumble topping (from the muesli slice).

Just a couple of things to keep the canteen running smoothly. The online orders need to be in by 9.00am so that I can process all the orders in one go. The orders in the tubs need to be written on paper bags separately for recess and lunch as they go in separate tubs.

Sushi has been very popular just don't forget to put which flavour in your order.

Also don't forget parents you can bring your coffee cup over any morning for a take away coffee. The class cupcakes are available again this term made in the canteen delivered to your child's class for their birthday. Available in chocolate or vanilla and iced for \$25. Need to be ordered at least the day before so they are ready. Cheesecakes are my speciality and can be made for the special occasion. Creamy vanilla with any topping (fresh fruit or chocolate bar grated on the top). Also \$25 in a box ready to collect to takeaway. Just need a couple of days notice.

While the trial is happening for the eating time after lunch I will be opening at 1.10 for the collection of the tubs. The canteen will then be open for over the counter purchases (ice creams etc) During the trial if your child has money to purchase over the counter I would encourage them to purchase at recess time.

Thanks for all your support

As always contact me if you need anything further

Kylie Wilkie

Happy Science Week

Come one scientist, come all scientists to Jingili Science Extravaganza. Come and present your experiment to the students of Jingili. Come to learn and share your science knowledge. All classes and families are welcome to attend.

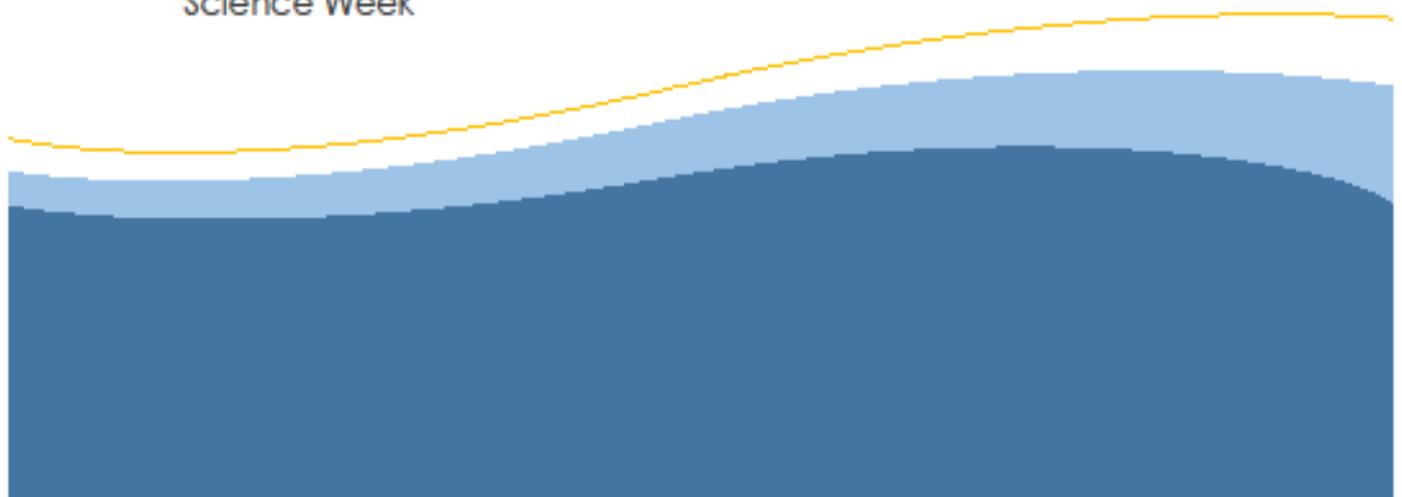

WEEK 4 —Thursday 16th August, 2018.

10.45am—12.45pm

Science experiments will be set up in the middle play area directly outside the library.

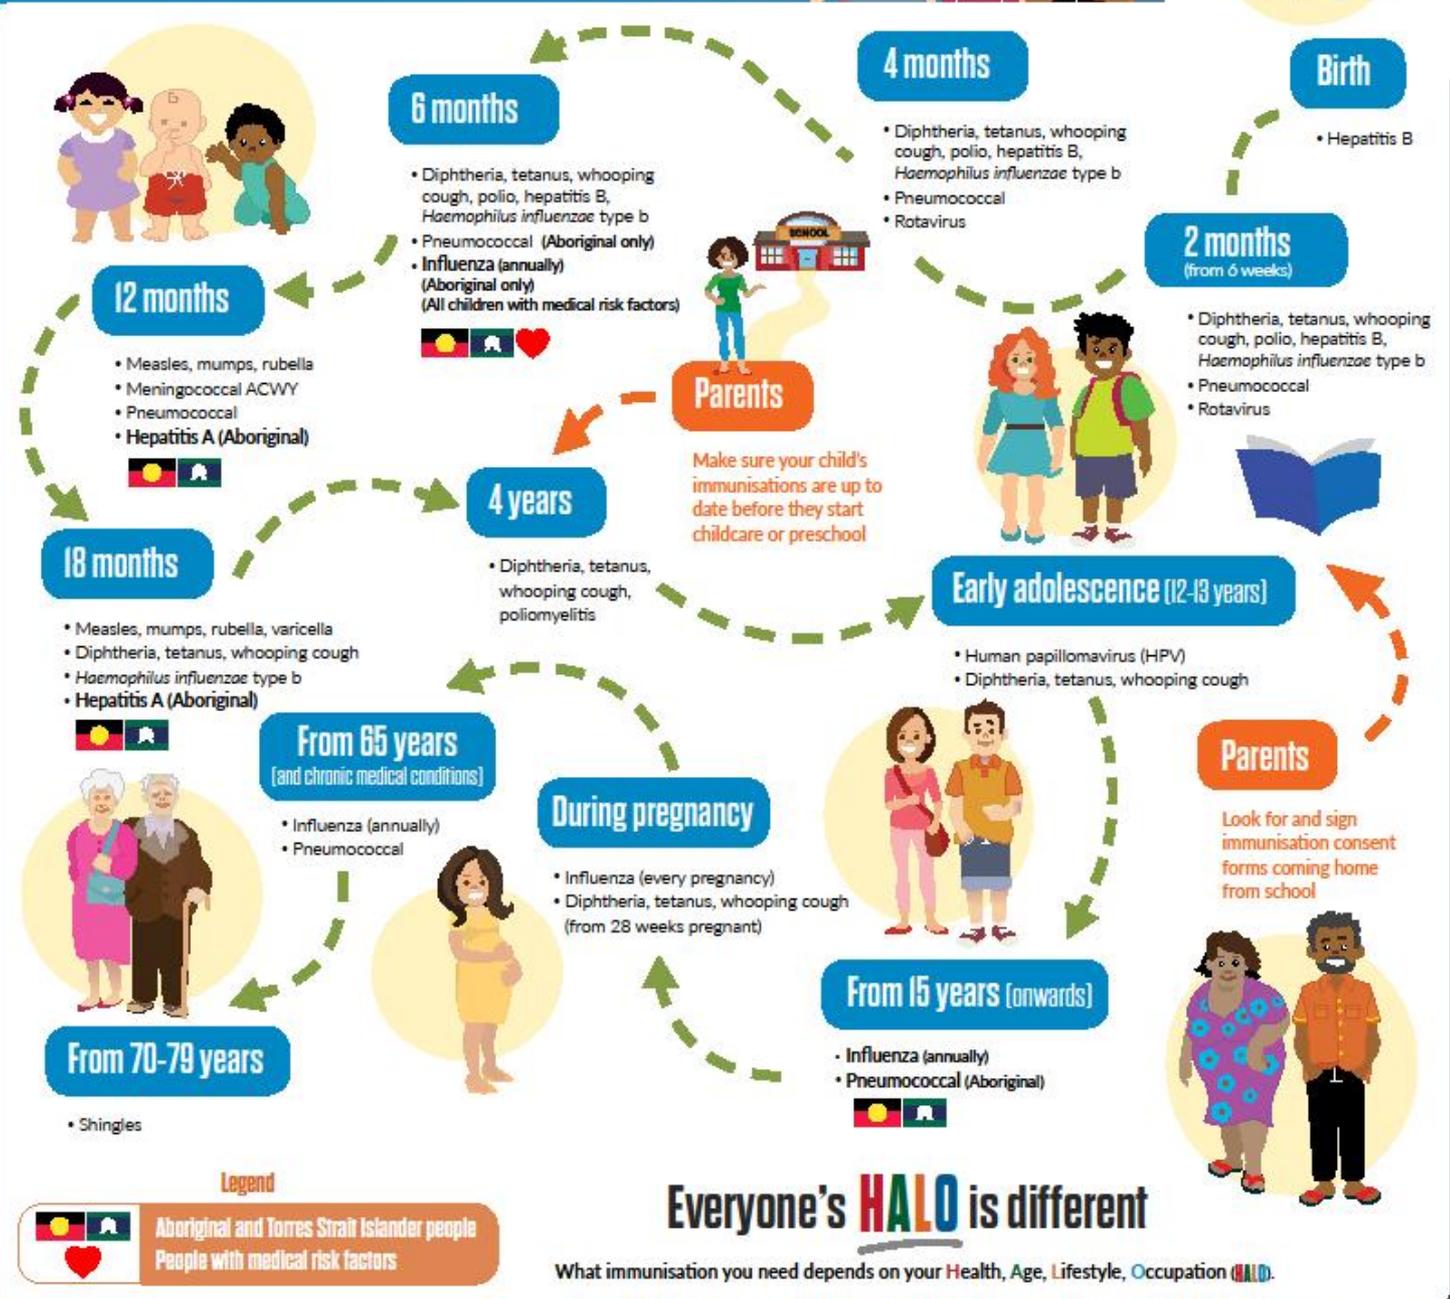

Jingili Scientists, please let Ms Vrodos and Ms Turner know about your experiment.

Complete a registration form detailing your experiment. Happy Science Week

Do you need immunisation?

July 2018

Health

Health issues such as chronic medical conditions including liver, kidney conditions or diabetes can increase your risk of disease and extra vaccines can protect you.

Age

The risk of disease varies by age.

Lifestyle

Lifestyle like travelling overseas or smoking may increase your risk of diseases and extra vaccines are needed.

Occupation

Some occupations expose you to a greater risk of disease for example: working in health or child care or with animals.

To find out more talk to your doctor or immunisation provider

www.health.nt.gov.au

Concept adapted from the Department of Health and Human Services, Victoria State Government.

Why immunise?

Immunisation protects against diseases that cause serious illness and sometimes death. Routine immunisation saves lives and reduces disability from vaccine preventable diseases. By reducing the spread of disease in the community, people protect themselves and others who may not be able to receive vaccines themselves.

Vaccine costs

The vaccines listed by age are mostly funded on the National Immunisation Schedule. Other vaccines related to Health, Lifestyle or Occupation may need to be purchased on a private script. Please check with your general practitioner or clinic/health centre.

Vaccine side effects

Common side effects such as reaction around the injection site or mild fever or headache may occur soon after vaccination and last one or two days. Most are resolved by rest, cold compresses on the site or paracetamol. Severe side effects are rare and medical attention should be sought if you are concerned. It is important to wait 15 minutes after your vaccination at your clinic/health centre to check that you do not have a rare serious reaction to the vaccine.

Where do I get immunised?

Your doctor, primary urban or remote health clinic or Aboriginal Community Controlled Health clinic can provide immunisation services. See the checklist below for extra immunisations - please discuss your HALO with your doctor or clinic/health centre.

Are there catch up programs available?

Catch up vaccines are available for all people up to age 20 years, and for refugees and humanitarian entrants.

Check your immunisation HALO

Not sure if you or someone you care for needs an immunisation?
What immunisation you need depends on your **Health, Age, Lifestyle, Occupation (HALO)**.

Everyone's **HALO** is different

Vaccines recommended for your HALO

(in addition to all routinely recommended vaccinations).

Health

- I want to avoid catching the flu (influenza) – influenza
- I want to avoid catching meningococcal disease – meningococcal ACWY, meningococcal B
- I am pregnant – influenza, diphtheria-tetanus-whooping cough (F)
- I am planning to get pregnant – measles-mumps-rubella, varicella
- I have an ongoing chronic health condition – influenza, pneumococcal (F)
- I have no spleen or a problem with my spleen – influenza, pneumococcal, meningococcal ACWY, meningococcal B, *haemophilus influenzae* type b
- I have not had chickenpox – varicella
- I have hepatitis B/C – hepatitis A and/or hepatitis B
- I have HIV infection – influenza, pneumococcal, HPV, meningococcal ACWY, meningococcal B, hepatitis B
- I am overweight (BMI $\geq 35\text{kg/m}^2$) – influenza
- I am immunocompromised – influenza, pneumococcal (other vaccines depending on condition) (F)

Age

- My baby was born at <28 weeks – needs extra – pneumococcal, influenza, hepatitis B (F)
- My baby was born low birth weight <2000g or <32 weeks – needs extra – hepatitis B (F)
- I was born after 1966 and have not had 2 measles, mumps, rubella vaccines – measles-mumps-rubella (F)
- I am aged from 60 years of age – Shingles (discuss with your doctor)
- I am aged from 65 years – influenza, pneumococcal, diphtheria-tetanus-whooping cough, shingles
- I identify as an Aboriginal person aged from 15 years – influenza, pneumococcal, hepatitis B (F)

Recommendations should be used in conjunction with the NT Adult and Special Groups Vaccination Schedule and the NT Pneumococcal Vaccination and Revaccination Guideline.

Lifestyle

- I plan to travel overseas – need a detailed travel consultation
- I smoke tobacco – influenza, pneumococcal
- I have or will soon have close contact with a newborn baby – diphtheria-tetanus-whooping cough, influenza
- I have or plan to have a tattoo or body piercing – hepatitis B
- I am a man who has sex with men – hepatitis A, hepatitis B, influenza, HPV, meningococcal ACWY
- I inject drugs – hepatitis A, hepatitis B
- I care for a person with developmental disabilities – hepatitis A, hepatitis B, influenza
- I live with a person who has hepatitis B – hepatitis B
- I live with someone who is immunocompromised – influenza, diphtheria-tetanus-whooping cough, measles-mumps-rubella, varicella

Occupational

- I work with children – hepatitis A, hepatitis B, influenza, diphtheria-tetanus-whooping cough, measles-mumps-rubella, varicella
- I am a health care worker – hepatitis A, hepatitis B, influenza, diphtheria-tetanus-whooping cough, measles-mumps-rubella, varicella
- I work in an emergency service or essential community service or correctional facility – hepatitis B, influenza, diphtheria-tetanus-whooping cough, measles-mumps-rubella, varicella
- I work in a residential care facility – influenza, measles-mumps-rubella, varicella
- I work in an abattoir or with farm animals or breed cats – influenza, Q fever
- I am a plumber or sewage worker – hepatitis A, influenza, diphtheria-tetanus
- I am a sex industry worker – hepatitis A, hepatitis B
- I may handle Australian bats – rabies, diphtheria-tetanus
- I am exposed to blood and body fluids at work – hepatitis B
- I am a vet or work at a vet practice – influenza, Q fever, rabies, diphtheria-tetanus
- I am a lab worker – hepatitis A, hepatitis B (additional vaccines depend on exposure to different organisms)

If you need an interpreter to assist with reading this leaflet, please ask a staff member.

(F) Funded vaccines.

JINGILI PRIMARY SCHOOL

Knowles Street Jingili NT 0810 | PO Box 40600, Casuarina, NT, 0811

Telephone: (08) 89851555 | Facsimile: (08) 89853213 | e-mail: jingili.school@nts.schools.nt.gov.au

Dear Parents and Guardians

In weeks 7 and 8 of Term 3, Jingili Primary school students from Transition to Year 6 will be taking part in our school swimming and water safety awareness program run by the Royal Life Saving Society. The venue will be at Casuarina Swimming Pool. A permission note and timetable will be sent home early next term.

Term:	Term 3, weeks 7 and 8	
Dates:	Wk 7: September 3 rd , 4 th , 5 th , 6 th , (Monday – Thursday) Wk 8: September 10 th , 11 th , 12 th , 13 th , (Monday – Thursday)	
Cost:	\$85.00 per child due to the fundraising efforts by our SRC we have been able to apply a discount. Transport included.	
Due date for cost: <i>Can pay in 1 lump sum or by two instalments</i>	Instalments	Amount
	Can pay all at once before or by August 24th	\$ 85.00 per child for full payment
	Or	
	1st instalment: Fri 3 rd August	\$40.00 per child per instalment
	2nd instalment: Fri 17 th August	\$45.00 per child per instalment
	Or as arranged with Office staff.	
Transport:	The school has arranged for a company to bus students to and from the pool each day.	
Number of lessons:	Students are to participate in 8 swimming and water safety awareness lessons over the course of the 2 weeks.	
Things to bring:	Students will need to bring bathers, towel, thongs, water bottle, hat, sunscreen, and goggles (if needed). It would be a good idea to carry these items in a plastic bag and have all your belongings clearly labelled,	
Early Childhood Classes	Children in Transition, Years 1 and Years 2 need to wear their bathers to school under their uniform as their swimming classes are in the morning.

THE NED SHOW™

Hey families,

The NED Show assembly is visiting our school. The performance uses storytelling, humor, illusions and yo-yo tricks to inspire and motivate your child to:

Never give up * Encourage others * Do your best.*

SHOW DATE: *Wednesday 1st August @ 9am*

SALE DATES/TIME: *1/8/18 - 10/8/18*

SALE LOCATION: *Front Office (EFTPOS available)*

Did you know?

Our school gets the assembly at no cost because we're hosting a Pay-It-Forward Sale. With each purchase, you help:

- Send The NED Show to visit another school at no cost
- Give your child a reminder of NED's message
- Share a timeless toy and the fun of learning yo-yo tricks
- ♥ A small portion of each yo-yo sold will be allocated to your nearest Children's Hospital affiliate as part of our corporate sponsorship

Yo-yos & accessories are available for 5-10 school days after the show. Check the items you wish to purchase and place quantity in the item boxes. Send form and payment to school with your child.

Yo-Yos:

NED™ YO
Classic yo-yo

Prices include tax (where applicable)

ALL \$8

BOOMERANG™
Auto-rotation yo-yo

ALL \$15
