Telephone: 89837555 | Email: jingili.school@education.nt.gov.au | Thursday 22nd April | Week 1 Term 2

Dear Jingili Families,

Welcome back everyone to Term 2. I trust you have had time to rest and recuperate albeit only for a short week.

It has been wonderful seeing the students settle back into their classroom routines. Visiting classes I am greeted with students sharing their learning with me with such pride in their achievements. With ANZAC day coming up, students have been learning about this important day through stories, clips and songs. We will have our commemorative assembly this Friday. The year 4/5/6 students have been preparing and practising for this significant event. Thank you Mrs Grills and Ms Turner for leading the work with the students.

We are looking forward to our 50th Birthday celebrations which will take place in week nine this term. We are very excited to have three different events to make sure that all past and present students, staff and parents can be involved in some way. Get more details on our facebook and further in the newsletter. I am very keen to see our museum which will be brought to life in our hallways and reflect Jingili through the ages. If you have any memorabilia you are willing to share in the library showcase please contact us, it would be great to have a few different pieces from the different decades. Thank you to the steering committee; Di Sullivan, Judy Grills, Jemmina Hingston, Lisa Dewsbury, and Amanda Hobber for organising these events to celebrate our milestone.

Some students are continuing to ignore the allocated crossings and put themselves at risk when walking and riding home. Please support us by having conversations about road safety. The children's crossings are the safest place to cross as cars have to stop metres from the crossing and wait till the children have crossed the road. Thank you for your help. We are hoping that Hector the road safety cat can visit Jingili soon to reinforce the messages.

With Mother's Day coming up, we are looking to host our amazing Mother's Day breakfast fundraiser. If you are happy to help with organising or volunteering time on the day, please contact the school and we will put you in contact with the lovely Amanda who is heading up the fundraising committee. We appreciate all your support.

Work on our LAN upgrade started in the holidays. This new project will see all new cables installed throughout our school to improve internet connection. We anticipate minimal disruption to classes this term while the work continues.

Enjoy your weekend,
Lest we forget
Jemma Rust

Principal

NITS ARE NOT COOL!

Please check your child's hair
REGULARLY

and help keep Jingili a
NIT-FREE SCHOOL

Please ensure your child's hair is tied back and wash your child's hat regularly. This helps to minimise the spread of Nits. For more information on how to prevent Head lice go to www.nt.gov.au/health

LOST PROPERTY

Don't forget to check lost property for any missing items. We have a lot of jackets, jumpers, lunch boxes. Please make sure you child's items are marked with their names.

Preschool News

The Preschool children have launched themselves into second term with great enthusiasm! They are particularly enjoying the Jingili Preschool campground. We have introduced some new provocations at our learning centres this week and are excited to see the children engaging and learning with resources related to their specific interests.

We welcome Ms Grace Cranley back to our 'Preschool Team' this term - Grace will be working alongside Ms Abby with the 2.5 Day Group.

The next Preschool Parent Advisory Group Meeting will be held at 11.30 on Friday 30th April at the Preschool. Everyone is welcome to attend.

Our 'Swim and survive' program at Parap Pool starts on Wednesday 5th May. Further sessions will be held on Thursday 6th May, Wednesday 12th May and Thursday 13th May. Please ensure that you have returned the signed permission forms. The bus will be departing from Preschool for the first session (AM Metcalf) by 8.40am, so please make sure that your child arrives on time at 8.15. Please bring your child to Preschool *dressed in their bathers*, wearing sunscreen and a hoodie/jumper and carrying their towel and water bottle. Your child will also need to bring a change of clothes, shoes and a hat packed in their bag to change into when we return. Please also provide a bag for wet items and make sure that everything is clearly labeled with your child's name. Morning tea/lunch needs to be provided as usual. The 2.5 Day group will depart from the Preschool for their Swim and Survive session at 9.40, so you may prefer to send them in clothes over their bathers. The Preschool session will operate as usual for them before this time. There will be no regular Preschool program available for the AM group while the Swim and Survive program is being held, so please make other arrangements if your child will not be participating. Any children from the 2.5 Day group who are not participating in swimming sessions can come to Preschool after 11.30am.

There are a lot of events taking place this term, so please regularly check your emails and your child's Preschool bag for notes and information

The Preschool Team

Introducing our Leadership Staff

My name is Jemma Rust. I am the proud principal of Jingili Primary School. With only a term up my sleeve, I am learning so much about our community. I love education and the way it empowers our young people to have a voice and choice in how they want to live their lives. Growing up in the NT and having 2 kids of my own who are now in middle and senior school. I am passionate about all students having access to a quality education and making a difference to their lives. I am a picture book-a-holic and am always happy to share a story with kids. Stories are such a powerful platform to provoke critical and creative thinking, reflect, make connections, and build our knowledge and understandings. My favourite picture book at the moment is Finding Our Heart by our very own parent Thomas Mayor. I look forward to continuing to getting to know our Jingili families and will strive to make our school one where our values of respect, responsibility and resilience underpin everything we do and 'putting the child first' remains at the heart.

My name is Di Sullivan and I have been a teacher/Educator for more than 30 years in the Northern Territory. I was inspired to go into teaching by a teacher I had in Alice Springs who I am still in contact with. I grew up in Alice Springs and did both my primary and secondary schooling there. I went to University here in Darwin with another Jingili teacher - Mrs Vrodos.

I first started teaching in the Catholic system at Holy Spirit School here in Darwin. I then had the privilege to teach at my primary school I attended in Alice Springs (OLSH) Our Lady of the Sacred Heart. I have taught at Sacred Heart in Palmerston, Groote Eylandt and in Katherine until I took up a position in the Department in Online Services (IT) as Online Project Manager. I have been an Assistant Principal in a Middle School for 5 years before I was fortunate enough to become the Assistant Principal at Jingili Primary School in July 2016. Which I love. Such a great community.

My hobbies are spending time with my family and friends, travelling, golf, gardening and walking along the Nightcliff foreshore to catch a sunrise or sunset.

My favourite book is anything written by Alison Lester. She visited Groote Eylandt while I was teaching there and did a workshop with my class on how to write and illustrate a picture book. The student's passion for writing was inspired by this visit.

Hello, I'm Larelle Gilbert. I have worked at Jingili for about 15 years and I have two children who used to attend here. I first came to Jingili as a classroom teacher and a few years later moved into my wonderful role of Wellbeing & Inclusion Senior Teacher. I love working and learning alongside our students, their families, our teachers and our wider community. I enjoy exploring the endless possibilities of learning with everyone and hunting the good stuff. I love books and I have a wide collection of them in my office and at home. My current favourite books are 'Mindful Monkey, Happy Panda' by Lauren Alderfer and 'The Red Beast' by K.I. Al-Ghani.

Kitchen Garden at Jingili

Hello Jingili Community! Hope you had a wonderful break in routine and are enjoying the dry weather in the Damibila season. In garden classes 4/5/6 students are learning about carbon footprint reduction through the Cool mob. Students are also extending their learning of the Larrakia people and country.

Thank you!

- ◆ Belinda Small for her time and efforts in applying for and implementing the Cool mob grant. This will help to extend student's learning on sustainability and beautify our school grounds.
- ◆ Trish Graham for volunteering her time to run and supervise the assembly produce stall with students on Friday.
- ◆ Michelle McDonagh for collecting and delivering from the kindy fresh food scraps for our chickens.

Come to our assembly stall and check out our beautiful, homemade products. They make a wonderful Mother's Day present.

Produce stall - For sale

| | |
|----------------------------------|---------|
| Recycled chicken grain bags | \$10.00 |
| Jackfruit and lime jam | \$5.00 |
| Jackfruit and passionfruit jam | \$5.00 |
