## 2021 NT School Survey - Parent National and Jurisdictional Questions Overview

The annual Parent/Carers Survey captures insights into student wellbeing, engagement, and learning from the perspective of parents and families with children enrolled at the school. The mandated survey contains National and Jurisdictional questions that assess eight key themes: **Wellbeing, Quality teaching & learning, Teacher-student relationships, Positive learning environment, Transitions & pathways, Shared vision & voice, School community engagement, and School satisfaction.**

This report provides the parents/carers' perception of these key areas for Northern Territory Government schools. Parents/carers are asked to rate the items on a five-point agreement scale, from strongly disagree to strongly agree. The report presents agreement percentages (%) to show the proportion of parents/carers who responded agree/strongly
