## 2021 NT School Survey - Staff

### National and Jurisdictional Questions Overview

The annual Staff Survey captures insights into wellbeing, engagement, and school services from school staffs' perspective (teaching and non-teaching). The mandated survey contains national and jurisdictional questions that assess nine key themes: **Wellbeing, Teacher-student relationships, Quality teaching & learning, Positive learning environment, Transitions & pathways, Shared vision & values, School community engagement, Professional development, and School satisfaction.**

This report provides school staffs' perception of these key areas for Northern Territory Government schools. School staff are asked to rate each question on a five-point agreement scale, from strongly disagree to strongly agree. The report presents positive response rates (%) to show the proportion of staff who responded agree/strongly agree with each statement.
