Dear Jingili Community,

Welcome back to Term 2. I hope everyone had a chance to enjoy the break with time to rest and recharge for a busy term ahead. Our kids have settled back in quickly to their class routines and have enjoyed reconnecting with their peers.

All families will receive a class newsletter to outline the learning and wellbeing for the term. We hope your progress report was insightful on how your child was tracking in term 1 and if requested that you have organized an interview for over the next couple of weeks with your child's teacher. This term is also a reporting term, so teachers will be gathering data to inform their on-balanced judgements of each child's progress. Reports will go out in week 10.

## **Mrs Rust farewell assembly**

What a lovely farewell assembly we had for Mrs Rust on Wednesday. A great leader who showed passion, kindness, and a genuine care for all. I personally thank Jemma for all she has contributed to Jingili Primary School and wish her all the best for her next adventures. The principal's job has been advertised and closes on the 28<sup>th</sup> of April. Our School Council Chair Alex Gibson and I will be on the panel. We will keep you updated.

## **Soccer Gala Day**

Congratulations to our Soccer Gala Day Team who won the Pool B Division in Week 10 last term. A special congratulations to Adam El Haj for winning the Engagement, Enjoyment and Motivation award, Bob Forner for winning the Knowledge of Rules, Tactics and Safety award and Fergus Tennent for winning the Respect, Teamwork and Leadership award. Well done boys!

## **Jump Rope for Heart**

Congratulations to the amazing students of 3/4Kypreos who raised an impressive \$1934 for Jump Rope for Heart!

## **Sensory Regulation Path**

Starting on the 10<sup>th</sup> May we have an artist Adrienne Wade who will be starting a Sensory Regulation Path in the middle area. We look forward to having this path to help self-regulate our students ready for learning.

## **Staffing**

We welcome Diana Bromell who will be teaching 4/5 Waldron's class on Thursdays and Fridays, replacing Ms Hingston who has now gone on Maternity leave. We wish Ms Hingston and her husband all the best for the birth of their first child next month.

## **Uniform**

Reminder, please make sure your children are wearing the correct school uniform. As we move into the cooler weather students will start wearing jumpers. Please note Hoodies are not part of our school uniform and are not to be worn at school. Jumpers should be blue or Maroon where possible. If you would like to order a school jumper, please see the front office. Crocs are not to be worn as footwear. If your child can not be in the correct uniform for any reason, please let the classroom teacher know why. We appreciate your support in keeping our students in the correct school uniform.

## Coming up

Next week we will have a special ANZAC Day Assembly on Friday the 26<sup>th</sup> of April. Ms Turner's class will be hosting the Assembly. We also have our Mother's Day Breakfast on Friday the 10<sup>th</sup> of May and our Sports Carnival will be on the 5<sup>th</sup> & 6<sup>th</sup> of June. This term is a very busy one with many events. Please keep up to date through our newsletter, Facebook, and weekly updates.

Have a great weekend,  
Di Sullivan  
Acting Principal

With the arrival of the beautiful Dry Season weather comes the need for a jumper in class!

Hoodies are not part of the uniform, so please ensure your child has a blue or maroon hood-less jumper (preferably). There are zip up jumpers/jackets available to purchase, please order through the front office.

# Preschool News

We trust that everyone had an enjoyable mid-semester holiday break. The Preschool children have launched themselves into second term with great enthusiasm! It has been lovely to feel the change in the air and we are particularly enjoying our time outside. We have introduced new learning intentions and have changed some of the resources at our learning centres to ensure the Preschool program is fresh and engaging. Please remember to write your child's current interests and home experiences on the pages provided on the 'Parent Information Board' - this helps us to keep your child engaged in the program and learning with resources related to their specific interests.

Our visits to Jingili Primary School commenced this week and the children enjoyed their first Early Childhood Assembly this morning. Fortnightly visits will continue on alternate Fridays this term and will include classroom visits to the T/1 classes. We will also have the T/1 classes visiting us at Preschool after Early Childhood Assemblies. This is part of our CARES program and is a lovely way for our children to become comfortable with 'Big School'.

There are a lot of events taking place this term, so please regularly check Class Dojo, your emails and your child's Preschool bag for notes and information.

A reminder that Preschool will be closed next Thursday 25<sup>th</sup> April for the ANZAC Day public holiday. Lest we forget.

## KITCHEN GARDEN

Hello Jingili Community!

Welcome back – I hope you had a lovely break from your regular routine and enjoyed some sunny weather.

In the final week of term Early Childhood students continued their frog learning and enjoyed some refreshing fruit. Upper Primary students made and tasted basil pesto pizza and pesto scrolls – the recipes are in the newsletter. Students are always learning about the benefits (to their bodies and the planet) of fresh, homemade food compared to more processed and fast foods.

THANK YOU:

Emma Lewis (Toby's Mum) for the generous donation of an electronic pH tester and Litmus test strips. This high quality equipment gives accurate readings of water quality. This is important to the maintenance of our aquaponics system and the learning is shared with all students.

This term we are having a Chicken Art Raffle. Art work was made by students and put into a collage on a recycled canvas. Mrs Carnegie made and generously donated the crocheted art works. Tickets are for sale at \$1 each or \$5 per book. Photos of the prizes are below. The raffle will be drawn Friday 10<sup>th</sup> May (Week 4 assembly). Raffle tickets will go home next week.

Have you noticed any seasonal changes in our weather, plants and animals? It's a great time to get in the garden.
